

February 2019 Newsletter

Talking Tip! Share a book together every day.

- It's never too early to share a book with me.
- I love it when you name the pictures that I point at.
- Let me take the lead, don't worry if I turn several pages at once.
 - Lift the flap books help me concentrate.
- It's ok to just talk about the pictures - I don't need the whole book.
- I love to have the same book over and over again.

Bambinos Recommendation Scheme.

Parents please remember we have a recommendation scheme in place. If you refer a friend, colleague or family member to our service you could receive up to £20 off your nursery bill every month for twelve months.

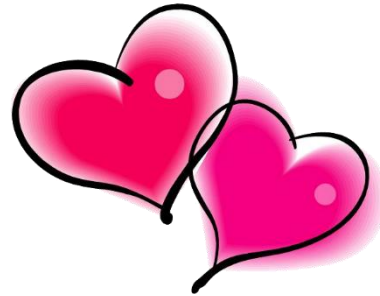

We have a limited amount of spaces left so pick up a Recommendation letter from the nursery manager and recommend a friend today! (T&C's apply)

Photos of the month:

Valentines Day!

To celebrate Valentine's Day we invite all children to wear something red or pink, we will be doing some fun arts, crafts and games throughout the day.

Blast

After February half term we will be running our BLAST (boosting language auditory skills and talking under 5s) programme.

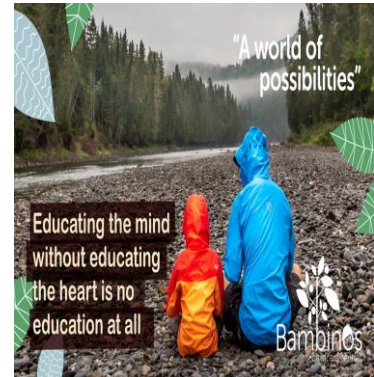

BLAST aims to build children's pre-linguistic skills such as attention, listening, speech sound awareness and story awareness.

BLAST benefits all children and helps them to be prepared for school by focusing their attention whilst sat at a table top activity. It is great fun and gives children time to work in small groups taking turns and negotiating with friends.

0-2s

Within the baby unit they have enjoyed exploring heuristic activities. They had lots of fun painting and being able to explore independently and having the freedom to use their own choice of materials. During heuristic play they explore emptying and filling containers, posting objects and investigating different textures.

2-3 room

The 2-3s have had lots of fun with exploring with water play emptying and filling containers exploring volumes. We have also been seeing which objects sink or float.

The children have really enjoyed playing outside in the new garden using the climbing frames and digging in the pebble pit.

Preschool

In the preschool room they have had lots of fun learning some sign language to use at circle time and throughout the day.

The preschool children have enjoyed playing in the new garden where they have enjoyed exploring the different areas climbing on the new climbing frames and using their imaginations to create roleplay using the new equipment.

Our focus letter and sound is Tt.
