This month we will be taking part in lots of Easter activities, we will be making Easter bonnets, decorating eggs and lots more. Throughout this month the older children will be looking at animals and colours, particularly during creative activities. We will also be encouraging children to join in and learn the actions to our sing and sign songs.

## 2 - 3's Room.

This month in the willow room we are going to be exploring our creative abilities making lots of Easter craft and junk modelling, we can't wait to see all of the masterpieces the children create. We will be talking about our feelings and how things can make us happy or sad and exploring this topic through discussion, stories and role play activities.

## Pre - School unit

With our younger pre-school we will be encouraging them to recognise and practice writing their names using a tripod grip, we will also be celebrating Easter and doing lots of fun activities encouraging children to use their imagination and be creative. One of the topics in Pre School will be about spring and growth. We will be planting and encouraging children to notice the effects of growth.
