

April 2019 Newsletter

Spring time!

The days are getting brighter and longer and the flowers are beginning to push their way up to the surface... it must be spring!

Spring sees the fields full of baby lambs, as the cycle of life gets into full swing. This is the season for Mother Nature to replenish the natural world. Animals give birth, birds build nests and insects pollinate plants.

This is a perfect opportunity to talk to your children about the new things they can see as you are walking along or driving in the car, helping to develop their Knowledge and Understanding of the world.

It would be lovely to hear what you have been doing during spring with your child. Write it onto a parent partnership slip for their learning diary as a reminder of the fun you have had together and so that the staff can ask questions about the day. Also, if you have any photos of special day trips in spring, feel free to bring them in to add to their learning diary too!

The Hub

With the Easter break fast approaching there is still time to book sessions for the school holidays!

At the Hub your child can choose from a wide range of activities, so whether they prefer to be active or just relax with their friends we have something for them, so don't delay and book now.

Mothers Day Tea Party

We would like to invite parents/carers to join us on
Monday 1st April @ 4pm
for an afternoon of fun activities.
Woolwell in Blooms Dig-B bear will be joining us for the tea
party, so pop on your spring clothes and join the fun.

If you have any bulbs you would like to donate to support
woolwell in bloom we would very much appreciate them

Easter Celebrations

We would like to invite parents/carers to join us on
Wednesday 17th April @ 4pm for an Easter stay and play.
Come and join us for an afternoon of fun Easter activities.
There will be hot cross buns and refreshments on offer so
please save the date in your diary and we look forward to
seeing you all there

Wednesday 17th April at 4pm.

Easter Term Dates

Grant funding children

Easter break is 1st April - 22nd April

Stretched funding children

Easter break is 1st April - 15th April

Term time children

Easter break is 8th April - 22nd April

Pear Tree Class

The children in the Pear Tree Class have been enjoying exploring the garden more regularly, exploring the different textures of the natural and artificial grasses, playing on the giant xylophone and with the many loose parts we have outside to discover.

We have also been encouraging the younger babies with their gross motor skills, supporting them with pulling themselves up and trying to walk.

Please can we ask that your child has a muddy puddle and shoes for the garden.

We look forward to welcoming Sonny and Layla to the class this month.

Willow Tree Class

The children in the Willow Tree class have been focusing on numbers, they have enjoyed counting objects around the room, singing counting songs and using the props as part of circle time. This is furthering their Mathematical development.

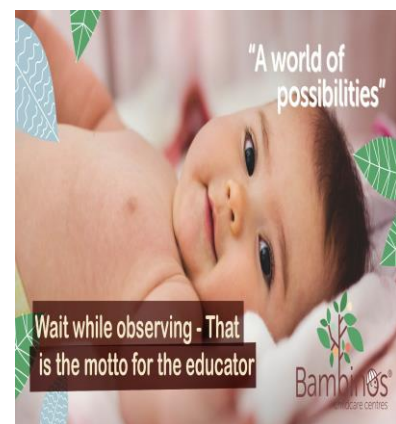

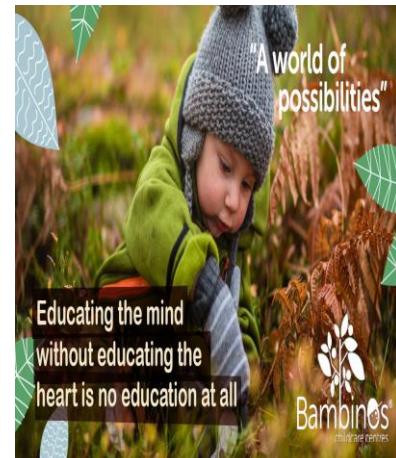

The children have been developing their mark making skills through all sorts of activities such as sand, gloop, playdough, painting and drawing this enhances their fine motor skills.

Please can we ask for new toothbrushes for your child.

Oak Tree Class

The children in the Oak tree class have been exploring lots with natural resources such as lemons, limes, mud, leaves, and flowers, they have made some amazing potions and have been extremely proud of them. This supports children's development in expressive arts and design -exploring materials and being imaginative.

They have also been practicing writing their names independently and through tracing over them. If your child shows an interest in writing letters and their own name, please encourage them to do this at home too! Please can we ask for new toothbrushes for your child.

The Bambinos Approach

Like and Follow us on Facebook!

Don't forget to book the Birthday box package for your child's special day.
