

March 2019 Newsletter

World Book day - 7th March

We encourage children to come to nursery dressed as their favourite character and bring their favourite book to share with all their friends. We will have book vouchers and stickers to give to all the children.

Red Nose Day - 15th March

We will be having a **Danceathon** to raise money for Comic Relief on Friday 15th March. Please support this great cause and pop any loose change you have in our collection pot in the hallway. The children will be enjoying lots of dancing activities throughout the day including a playdough disco!

All money donations will be donated to comic relief.

Parent Liaison Group

Working in partnership with parents is paramount to children's learning and development, Bambinos prides itself on the collaborative approach between parents and the setting on the child's learning and development.

We would like to further strengthen our relationships with you our parents and set up a "Parents Liaison Group" to act as a vehicle for information exchanging between parents and staff.

As a setting we would like two or more parents from each room from each setting to meet with the management team quarterly.

If you are interested in either joining the PLG or simply passing on feedback or have any items for the agenda please email.

office@bambinosdaynursery.co.uk

Parents Evening

During March we are holding parents evenings for all our children. Please speak to your child's Key person about booking a 15 minute appointment.

Babies- Week commencing 4th March

2-3s- Week commencing 11th March

Preschool- Week commencing 18th March

Term Dates

- Term time funded children will break up on the 29th March and return on the 23rd April
- Stretched funded children will break up on the 29th March and return on the 15th April
- Term time children with no funding will break up on the 8th April and return on the 23rd April.

Baby Unit

The Babies have been enjoying water play this month, learning how to pour and fill containers. They will be continuing this into March both indoors and outdoors with large water funnels, shoots and balls.

Creative and sensory play has been a favourite in our baby room recently. They have loved using the playdough, exploring a variety of textures with lentils, pasta and rice, and painting.

In March the babies will be expanding their imaginations through pretend play in groups. Using lots of different props that are available in the rooms already to support this.

Toddler Unit

The children in our 2-3s room have been really enjoying learning about animals, reading books about them and singing songs.

Our Toddlers have also been developing their physical skills in our outdoor areas. They have been learning how to use the pedals on the bikes, balance on one leg and hop. As the weather improves, they will be spending more time in the garden expanding on these skills further.

Next month our 2-3's will be doing more art crafts and exploring a variety of ways in which we can make marks and mix materials together.

Preschool Unit

During February, Preschool has enjoyed learning about different cultures. This was sparked by the interest in Chinese New Year. They loved finding out about other languages, countries and how they differ from what they are used to. Preschool will be continuing this, introducing foreign words into their circle time.

Circle time will be a big focus for our Preschool next month. It is a time where all the children can be inquisitive and take lead in what they would like to do and what they would like to learn about each day.
