Bambinos Community Cupboard

We are very excited to share with you our latest initiative. We have created our 'Bambinos Community cupboard' the idea behind it is that families from our nursery and people from the community can 'Take what they need and give what they can'. We are hoping our families use items that they may need in their household, if they are in a rush they can grab an ingredient for dinner, or what they need to make a cup of coffee. We hope our wider community uses it in the same way! If you drive or walk past feel free to grab what you need or donate what you don't. We are promoting community and togetherness, but also working to minimise wastage. The children have been instrumental in the creation of our cupboard and will be contributing produce that they will be growing in our garden.

We can't wait to see how the community cupboard is received by everyone and we hope it inspires people to help each other and reduce waste.

Our environments are more than simply a physical space they are made up of the emotions of the people in the environment that's why our children feel safe, happy, secure and relaxed with our knowledgeable, sensitive staff who meet the individual needs of every child making them feel accepted, confident and valued.

Photos of the month:

Half term dates

A reminder that term time only, grant children and Me2 standard funding finishes on the 26th July and returns 2nd September 2019.

If you have any questions please do not hesitate to contact Abby.

Parent's Evening

This is a wonderful opportunity for you to talk to your child's key person about their learning and development and look through their learning diaries.

Please ask your child's Key Person to book a 15-minute appointment.

We will also go through your child's most recent termly report and plan next steps to support their future development.

2-3s - Week commencing 8th July 2019

Preschool - Week commencing 15th July 2019

0-2s- Week commencing 22nd July 2019

Congratulations to Bronwyn who is expecting her second child in September. We wish you all the best and can't wait to see your beautiful baby.

Pear Tree Class

Small world play has been very popular in the 1-2 room. The children have enjoyed playing with the doll's house, little people and wooden car garage starting to explore imaginative play.

They all have had lots of fun playing with the sand trays 1-2s room looked like they were at the beach, they enjoyed added sea animals to the sand and using containers to empty and fill.

The children have also enjoyed making play dough using different herbs exploring with senses.

Willow Tree Class

This month in the 2-3s room we are going to be learning all about the beach, exploring our senses with sand, sea weed, water and shells. We will be reading 'Tiddler' and his adventures under the sea.

We will be discovering lots of creatures that live under the sea, creating many master pieces for the children to take home.

Oak Tree Class

In preschool this month we have been experimenting with lemons. The children have enjoyed making lemon juice and have been learning their numbers by balancing coins on the lemons in water.

We have also introduced marble jars for each key group. The children have been working hard to fill their jars.

We would like to wish all of the children leaving us for 'big school' all the best and good luck.
