

# July 2019 Newsletter

## Preschool Graduation 2019

We would like to invite all of our parents and carers of the children that are going to school in September to join us for the children's graduation on Wednesday 24<sup>th</sup> July at 4pm.

Although we will all miss the children we are so excited for the new adventures they will have and all of the new and exciting things they will learn and the skills that they will develop.

Our environments are more than simply a physical space they are made up of the emotions of the people in the environment that's why our children feel safe, happy, secure and relaxed with our knowledgeable, sensitive staff who meet the individual needs of every child making them feel accepted, confident and valued.

## School visits - Preschool parents

Please could parents let us know of any dates that your child may be having school visits. Unfortunately, we are unable to transport any children to and from the school for these visits.

We do also require written notice of your child leaving us to go school. If you do require further sessions during the school holidays please speak to either Lindsay or Hannah in the office.

---

## Parent's Evening

This is a wonderful opportunity for you to talk to your child's key person about their learning and development and look through their learning diaries.

Please ask your child's Key Person to book a 15-minute appointment.

We will also go through your child's most recent termly report and plan next steps to support their future development.

W/c 1<sup>st</sup> July- Babies

W/c 8<sup>th</sup> July- 2-3s

W/c 15<sup>th</sup> July- Preschool

---

## Term dates and Funding:

Last day of term for term time only children is 26<sup>th</sup> July 2019

For the families who claim funding all year round, the entitlement is halved for the week of the 26<sup>th</sup> August 2019. For example if you claim 24 hours all year you will be entitled to 12 hours for this week only. For those who claim 12 hours, you will be entitled to 6.

As of the week commencing 2<sup>nd</sup> September your funding will return to normal.

Please could you let Lindsay or Hannah know what sessions you would like during this week. Thank you.

## Babies

The babies have been enjoying lots of heuristic and loose parts activities this month to really enrich the senses, we have also been spending lots of time in the garden and doing water play and learning about our surroundings and learning new single words.

We have introduced some new action songs and the children have enjoyed learning new songs and the actions in small groups.

The children have been really interested in mark making so we have been doing it in the sand using paint brushes, wooden utensils and our hands and toes.

## Toddlers

This month our 2-3's have been learning all about describing words and size language. Using their own drawings and crafts they have discovered the difference between big, small, tall and short.

Our toddlers have also been learning about the weather and how to take care of themselves as the weather changes. For example sun cream, hats and plenty of water.

Next month, 2-3's will be exploring a variety of ways to make music and will even be trying to make their own musical instruments!

## Preschool

Pre-school have been enjoying lots of fantastic activities in the garden, they have been den building, measuring and pouring and drawing and exploring insects and the way of the world. This month there has been a big focus around animals and especially sea animals as we have had lots of interests around this, we have been learning lots of new facts and attempting to make and discover our own animals.

For the school leavers we have been really focusing on getting those last independence skills in place so we are all ready for big school, all of the school leavers will be thoroughly missed and we cant wait for our graduation.
