

July 2019 Newsletter

Preschool Graduation 2019

We would like to invite all of our parents and carers of the children that are Starting school in September to join us for the children's graduation on Wednesday 24th July at 4pm.

Although we will miss the children who are leaving to start their new adventure we know that they are ready and will have lots of new and exciting things ahead of them to further the skills to continue to develop their ever growing minds.

Our environments are more than simply a physical space they are made up of the emotions of the people in the environment that's why our children feel safe, happy, secure and relaxed with our knowledgeable, sensitive staff who meet the individual needs of every child making them feel accepted, confident and valued.

Photos of the month:

Term dates and Funding: Last day of term for term time only children is 26th July 2019

For the families who claim funding all year round, the entitlement is halved for the week of the 26th August 2019. For example if you claim 24 hours all year you will be entitled to 12 hours for this week only. For those who claim 12 hours, you will be entitled to 6. As of the week commencing 2nd September your funding will return to normal.

Please could you let Vicky or Jess know what sessions you would like during this week. Thank you

Parent's Evening

This is a wonderful opportunity for you to talk to your child's key person about their learning and development and look through their learning diaries.

Please ask your child's Key Person to book a 15-minute appointment.

We will also go through your child's most recent termly report and plan next steps to support their future development.

Oak tree class w/c 1st July

Willow tree class w/c 8th July

Pear tree class w/c 15th July

The Hub

With the Summer break fast approaching there is still time to book sessions for the school holidays! At the Hub your child can choose from a wide range of activities, so whether they prefer to be active or just relax with their friends we have something for them, so don't delay and book now!

Pear Tree Class

The children have been spending lots of time out in the garden in this lovely weather. They have been exploring the surroundings in the outdoor environment developing their understanding of the world. The children have been exploring and experimenting using the variety of natural resources and loose parts which we have both inside and in our outdoors area. Experimenting with these items, children are using a number of schemas such as; transporting, enclosing and rotation. We look forward to welcoming Tate to the class this month.

Willow Tree Class

The children have been really exploring their senses through their activities, they have had great fun mixing potions and experimenting with the different spices changing the colour of the water. The children really enjoyed collecting flowers, grass and leaves whilst in the garden to create their very own nature butterfly. Theo and Seb have settled really well and have made lots of new friends. We look forward to welcoming Alfie to the class this month.

Oak Tree Class

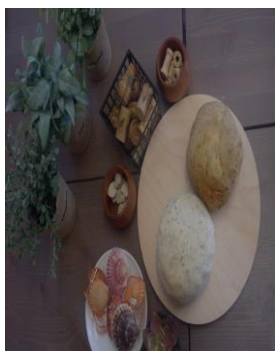

The children have been getting creative through many different activities from mud pies and potions in the garden to creating dens in the class room, this shows the children's imagination off magnificently developing their skills in expressive art and design through being imaginative.

The children going to school have been excitedly telling their friends all about their visits they have had to school, although they will be missed we are all very excited for them to start their next chapter.
