

# September 2019 Newsletter

We hope everyone had a lovely summer holiday, having lots of fun and exciting adventures.

We are looking forward to hearing all about what everyone has been doing, sharing this during our circle times.

If you have any lovely pictures of this please feel free to bring in so the children can share this with their new classes.

## Bambinos Community Cupboard

We have created our 'Bambinos Community Cupboard'.

The idea behind it is that families from our nursery and community can 'take what they need and give what they can'.

We are hoping our families use items that they may need in their household, if they are in a rush they can grab an ingredient for dinner, or what they need to make a cup of coffee. We hope our wider community uses it in the same way! We are promoting community and togetherness, but also working to minimise wastage. We can't wait to see how the community cupboard is received by everyone and we hope it inspires people to help each other and reduce waste.

## Baby Unit

This month we will be visiting the outdoor areas to see all the different leaves, pine cones, twigs etc which we will be using in a variety of creative activities.

We will also be looking at the harvest festival throughout September using a variety of vegetables to create different marks.

---

## 2 - 3's Room.

During September we will be exploring different ways of using a variety of materials to use for mark making as well as different materials to do this in such as sand, gloop, paper etc.

We will also be encouraging to experiment mixing different materials together to see what happens, such as making play dough from scratch. We will be adding different colours and scents to encourage our sensory element of learning.

---

## Pre - School unit

In our pre-school unit this month will we be talking about our summer holidays during circle times as well as getting to know are new teachers and friends.

We will also be encouraging the children to use new and creative ways for mark making, continuing to strengthen their fine motor skills, mark making and emergent writing.
