

September 2019 Newsletter

Welcome back to our new school term! We hope that you have had a lovely summer. The children have been busy telling us about their exciting times, whether it has been a new experience on an aero plane or enjoying camping outdoors.

As the new term begins we wish a fond farewell to many of our pre- school class. Over the next few weeks many children will transition into a new classroom. We will be inviting parents in for meetings with their child's new key workers and will hold parents evenings in October for all parents to attend.

Water Bottles

We have Bambinos water bottles available to purchase at all sites for just £3.50. Please speak to your nursery manager to order one today.

Photos of the month:

Bambinos Community Cupboard

Bambinos Community Cupboard

Please help yourself to items in our community cupboard baskets, located in the porch way. The feedback from parents and visitors has been brilliant and we will continue to help our community as much as we can.

HARVEST DONATIONS

Throughout September will be collection tinned and long life foods to make into a hamper which will be donating to our local church St Marys. Any contribution would be very grateful.

We are delighted to be rated a 9.3 on
[daynurseries.co.uk!](http://daynurseries.co.uk)

If you have not already done so, please review us on both daynurseries.co.uk and our facebook page Bambinos Childcare Centres.

Your feedback is much appreciated.

Baby Unit

This month in the baby unit we will be very busy exploring and investigating our garden as we start to embrace autumn. The children will be creating leaf print paintings, exploring autumn colours.

Also we will be taking part in a leaf hunt in the garden, collecting lots of colourful leaves and exploring them in our treasure baskets.

2 - 3's Room.

In our 2-3 room, the children will be learning about harvest. We will be using autumn fruits and vegetables to create pictures and art collages. Talking about the different colours of fruits and vegetables and how they are different.

As autumn begins we will be creating bird feeders in our garden to help support the local wildlife and watching the birds visit our garden.

Pre - School unit

This month pre-school are going to be exploring our feelings and how to use them. We are exploring happy, sad, angry, worried and tired. We are also going to be learning lots about our old and new friends, their families and the type of houses that we live in. Pre-school will also be working really hard on holding our pens and pencils using a tripod grip to make marks on different materials.

Parking

As many of you are aware our car park can become very busy especially between 8-830am and 5-530pm. We please ask that parents park responsibly and avoid blocking neighbouring driveways and garages.

We appreciate your support with this.

Upcoming Events

18th September

Talk like a pirate day

Children are invited to dress up as pirates and spend the day taking part in fun, engaging pirate activities. We look forward to seeing everybody's costumes.

The Bambinos Approach

Don't forget to book the Birthday box package for your child's special day.
