

National Nursery Recognition Awards

We have exciting news! We have been shortlisted as a finalist for two categories for national nursery recognition for the best indoor learning environment and nursery group. We are so proud that we have come this far and it would be fantastic if you could all vote for us. We have emailed across the link for you all. Thank you for all your support.

We are delighted to inform you that we are now working with The Parliamentary Review. The idea is to share knowledge and best practice to raise standards in Early Years. Bambinos Childcare centres have been invited to be one of the representatives for 2019/2020. This is just another reason as to why we are the leading childcare specialist in the south west. Our passionate and experienced team of specialists are champions in our sector and lead a highly motivated team of childcare practitioners.

Welcome to October's Newsletter

Halloween:

On Thursday 31st October we will be inviting all of the children to dress up and join us for a day of squidgy squishy spooky fun!

Parents/carers please come and join us for a Halloween themed stay and play event.

This will be held on Thursday 31st October between 4.15pm and 5.30pm.

Look forward to see you there!

BAMBINOS APPROACH:

In nursery this month we will be investigating the changes in weather and exploring our garden in our muddy puddle suits, listening to the sounds the rain drops make as they plop down on different surfaces. We will explore the effect rain has on our garden and noticing as the leaves change colours and fall to floor. We will be thinking about the noise the leaves make when underfoot and the rustling of the wind through our willow arch. We invite children to bring in leaves, conkers or sticks they find on their way to nursery or on a walk they have enjoyed at the weekend. We will share these with our group comparing the colours and textures. Pick up your collection bags outside pre-school.
