

Bambinos Childcare Centres Tavistock

Most Nurturing Childcare Provider 2020!

We are delighted to have received this award from Lux Parent & Baby awards.

"the enabling environment that is fostered at Bambinos is about providing a setting in which children can play, explore and learn in a safe, caring and supportive space. Each of the practitioners on the team are highly trained to understand how individual children learn best, as well as encourage independence and nurture confidence and self-esteem. The team provides activities and opportunities for children to make their own choices and decisions, whether it be tidying up toys or preparing snacks, giving them both the physical and the mental space to develop, learn and grow"

Welcome to our November Newsletter

This month:

Pear tree class

The children have been super excited exploring the environment through their senses, as the weather has changed and lots of leaves have fallen, we have set up some beautiful autumnal tuff trays and activities to provoke the children's mind and imaginations and continue their interest in schemas and heuristic play.

Willow tree class

The children have been really focused on exploring the world around them, whilst in the garden the children have been using the magnify glasses to identify bugs and creatures that they find their favourite places were under the logs.

The children have enjoyed "Pumpkin soup" making with different squashes after reading the "Pumpkin soup" story. This story was kept nearby and was a fantastic talking point and reference for the children.

Oak tree class

The children have had a super start to the Autumn term!

There have been some great stories shared with the children which have led to great learning opportunities through discussion and provocations set up for the children to explore. We have seen some fantastic potions, Gruffalo crumbles and mud pies whilst in the garden.

We would love to hear which books are favourites at home!

We will be taking part in the World Nursery Rhyme week in November.

We would love for you to join in at home too!
The 5 Rhymes we will be enjoying the most are:

- Wheels On The Bus
- Five Little Speckled Frogs
- Hickory Dickory Dock
- Old MacDonald Had A Farm
- Miss Polly Had A Dolly

Top Tip for November:

Take 10!

Set aside 10 special minutes each day for your child. Turn off all distractions and spend time in the moment with your child talking about your day, how you are feeling or anything that your child wants to share with you.
